**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I choose a competitive provider because I like the personalized service and the technical support I receive from them. The fiber network that I am currently connected to is so much faster and more reliable than the DSL I used to use. I also like the competitive telephone service that I have. I do not want price hikes that will increase the cost of internet and telephone services.

Thank you!
